

Get Your School App Today!

What is School Mobile?

School Mobile is a mobile platform specifically designed and built for schools. It has over 20 features, and is a comprehensive, effective tool trusted by over 100 public and private schools. The App engages parents, students, alumni, and fans, with your school's information right in the palm of their hand.

Available on:   

Easy Setup

Anyone can quickly and easily build an App using our intuitive platform.

Built for Schools

Our platform and features were exclusively made and designed for schools.

Cost Effective

A powerful, robust platform on a school budget. Includes over 20 features, technical support, and unlimited users.

Trusted

We are trusted by over 100 schools, including some of the most highly regarded public and private schools in the country.

Maintenance Free

No coding is required, and there's no need to worry about the latest code updates – we take care of it all.

Award Winning

We are a proven leader in the Education industry and have won multiple awards for our Mobile Platform.

Built for Schools. Trusted by Schools.

School Mobile Features

We have over 20 Features to choose from, and continuously release new features and enhancements throughout the year. School Mobile offers a customized experience for your school community – get your School App today!

Events. Stay up to date with school calendar events, such as parent-teacher conferences, games, breaks and other activities.

Notifications. Send out important announcements such as school closings, reminders, and special achievements.

Twitter. Keep your community engaged by displaying the school's official Twitter feeds.

References. Allows you to store documents such as Forms, Viewbooks, and other materials.

Emergency. Find important phone numbers, resources, and other campus safety information.

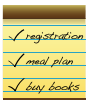

School Song. Show your school spirit by playing your Alma Mater, Victory Cheer, or favorite Song.

Faith & Service. Access chapel schedules, daily readings, prayers, and Campus Ministry information.

Facebook. Integrate your school's Facebook page to engage parents, students and alumni.

Checklist. Create multiple checklists (i.e. Admissions, Orientation, School Supplies, etc.).

School Tour. Highlight points on campus for prospective students, parents, and alumni as they follow a self-guided walking tour.

News. Keep up with the latest school news, press releases, sports news, and more.

Athletics. Keep track of sports schedules, news, social media, and more.

Library. Provide an easy way for students to search the Library for books and information.

Multimedia. Watch videos, listen to podcasts, and scroll through photos and other media assets at any time.

Bulletins. Allows you to display your e-newsletters so parents and alumni can stay up to date.

Alumni. Provide information to alumni such as News, Social Media, and Reunions.

Admissions. Connect with the Admissions Office and show events such as open houses and registration.

School Map. Search for and get details on any building on campus, from the library to the gymnasium to the cafeteria.

Directory. Allows you to securely search for faculty, staff, or other school community members.

Handbook. Your community will have a copy of the Handbook within reach at all times.

And More!
